SELECTMEN'S REPORT - 1981

The Board of Selectmen wish to thank all the taxpayers and Town Officers for their cooperation during the past year. Selectmen hold regular hours on Wednesdays from 7 PM to 9 PM. Other times may be arranged by calling 239-4951 if these hours are not convenient. The Selectmen's Office is now open Monday through Friday from 9 AM to 4 PM.

We again call your attention to the numerous forms available in the Selectmen's Office to be used by the taxpayers for proper taxation. The only form that is mailed out is the Inventory of Taxable Property. All other forms must be obtained at the Selectmen's Office. The law states that an Inventory form must be filled in, signed and returned to the Selectmen's Office before April 15th. If an Inventory Form is not filed, there is no legal basis for the Board of Taxation or the Court to consider an application for abatement. Also a late return of the Inventory Form will be assessed a penalty.

Veteran's Exemption

Permanent applications are available in the Selectmen's Office. We call your attention that, if a person eligible for exemption changes his domicile or a veteran's wife becomes a widow during the year, a new permanent application must be filed with the assessing officials.

Exemptions for Certain Elderly People (C.E.P.)

These forms are for persons who qualify for reduction in their tax bills. These forms must be completed and in the Selectmen's Office on or before April 15, 1982. If there is no completed form on file, we cannot grant the Elderly Exemption. As of April 1, 1982, the three categories of exemptions are from ages 65 to 74, ages 75 to 79, and age 80 and over. It is your responsibility to complete a new exemption form if you change categories.

Intent to Cut Timber

Every owner including State, County or municipality or public agency shall, prior to each cutting operation, file with the Selectmen a notice of intent to cut.

Assessment of Open Space

No owner of land shall be entitled to have a particular parcel of his land classified for any tax year under the provisions of this chapter unless he shall have applied to the assessing officials on the form approved by the Board and provided by the Tax Commission.

Permits

Any person, firm, corporation, municipality, public agency or institution desiring to operate, maintain, offer for rent, lease or tenancy a site, lot, field, tract of ground for location of any new building, trailer park, trailers or mobile homes or other similar conveyance, or place of abode for shelter shall obtain a written operating permit from the Board of Selectmen. Where applicable, it would be necessary to have received and to show proof of having received approval for construction granted by the New Hampshire Water Supply and Pollution Control Commission for the construction of any septic tank system before a building

permit or permit to park a trailer or mobile home shall be issued.

House Trailers

Whenever a person moves a house trailer or mobile home into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases an existing house trailer or mobile home with the intent of residing in the same at the existing location he shall within fifteen (15) days of placement of the trailer or mobile home or within fifteen (15) days of the purchase of same, register with the Assessors of the city or the Selectmen of the town where he shall reside. Whoever fails to comply with the provisions of this section shall be guilty of violation 72:7B (1973:152).

Joseph S. Dominick, Sr., Chairman
Robert E. Sweat
Eugene W. Clark

Board of Selectmen
Town of Winchester, New Hampshire

TOWN MANAGER'S REPORT

Upon assuming the duties of Town Manager on September 9, 1981, I began assessing the administrative problems facing our community and established priorities, ranging from the most urgent to the relatively routine. There being no Town Manager since Bob Girard left in June, my most immediate chore was answering correspondence and catching up with the backlog of paperwork.

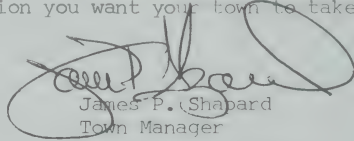

My next priority is really an on-going effort which presents vague accomplishments that are difficult to define. It began with untangling the mass of litigation the town found itself mired in, and continues with a concentrated effort to avoid legal contests whenever possible. The people of Winchester appropriated fifteen thousand dollars for fiscal year 1981 (an eighteen month period) to cover the town's legal expenses. By the time thirteen of those months had passed (72% of the period) our "Damages and Legal" account was \$8,721.58 overdrawn. This trend must stop! In the past five months I have significantly reduced our list of litigation. There is now a small fraction of September's number of open cases. Furthermore, I believe that I have been instrumental in avoiding disputes which may well have gone to the courts for resolution. I do not advocate backing down in the face of adversity or failure to support Town Officials in the discharge of their responsibilities. I do, however, advocate out of court settlements whenever possible and the careful selection of cases upon which we, as a community, will make a legal stand. I shall continue, to the extent that I am able, to allow court room resolution of our problems only as a last and unavoidable result.

I believe that my personal need to conduct business in an orderly fashion has resulted in substantial improvements to meetings of the Board of Selectmen. In most towns these are moderated by the Chairman of the Board of Selectmen. Mr. Dominick has delegated that task to the manager, as it is within his authority to do so. If you have not attended a meeting in the past six months, I believe you will be pleased with the efficiency and business-like manner in which they are now conducted.

In compliance with the mandate of the voters (Article 24 of last year's warrant) we are presently engaged in up-dating the town's tax maps. The new maps will be available and in use shortly. I expect those who have occasion to use these maps to be quite satisfied.

These past months have been challenging and, at times, frustrating, but certainly not without rewards. I believe I continue to grow and mature in the manager's job, and I sincerely believe the Town of Winchester has realized a few benefits as well. Among my priorities for the coming months are efforts to reduce spending where ever possible through prudent management decision-making and careful and constant scrutinizing of the town's financial status. Furthermore, I plan to increase efforts to pull the various commissions, committees, boards, agents, and other appendages of town government more closely together and to foster a sense of teamwork among us all.

These are interesting and even exciting times for Winchester. There are important questions to be resolved this year both on the ballot and on the floor on the Town Meeting. I urge you to read the warrant carefully, discuss the Articles with your friends and associates, and give some serious thought to the direction you want your town to take in the coming months.

A handwritten signature in dark ink, appearing to read "James P. Shapard", is written over the printed name and title.

James P. Shapard
Town Manager
Town of Winchester

TOWN MEETING WARRANT

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF WINCHESTER, IN THE COUNTY OF CHESHIRE
IN THE SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

Article 4. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes until June 30, 1983.

Inserted by the Board of Selectmen

Article 5. To see if the Town will authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal, or other governmental unit or a private source which becomes available during the fiscal year in accordance with Chapter 31:95-b, New Hampshire RSA.

Inserted by the Board of Selectmen

Article 6. To see if the Town will vote to discontinue the non-partisan caucus system as now in use at Town elections in order to conform to State election laws (RSA Chapter 669:19).

Inserted by Petition

Article 7. To see if the Town will vote to change the date of the 1983 Town Meeting, and all subsequent Town Meetings, from the second Tuesday in March to the second Tuesday in May, as provided for in Chapters 39:1, 39:1-a, and 669:1 of the New Hampshire RSA.

Inserted by the Board of Selectmen

Article 8. That the Town authorize the Selectmen to sell and convey any real estate acquired by the Town, including acquisitions from tax sale, during the period until the next annual Town Meeting and that the Selectmen be authorized to sell and convey such real estate by auction, sealed bid or in any other manner as justice may require.

Inserted by the Board of Selectmen

Article 9. To see if the Town will vote to authorize the Selectmen to create a Town Department of Public Works encompassing the Water Department, the Sewer Department and the Highway Department and to appoint a Superintendent thereof.

Inserted by the Board of Selectmen in
accordance with the minutes of the
1981 Winchester Town Meeting.

Article 10. To see if the Town will vote to authorize the Town Treasurer to appoint a Deputy Town Treasurer, in accordance with RSA 41:29-a, and the approval of the Board of Selectmen.

Inserted by the Board of Selectmen

Article 11. To see if the Town of Winchester will vote to continue to spend the Farmers Home Administration Grant money allocated for use in Winchester for any and all Wastewater Collection Lines Extensions as submitted by the Board of Sewer Commissioners.

Inserted by the Board of Selectmen

Article 12. To see if the citizens of Winchester will vote to ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U.S. Congress to: Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries.

Inserted by the Board of Selectmen

Article 13. To see if the Town of Winchester will vote to authorize the Selectmen to apply, negotiate, and contract for and accept, expend and do all things necessary to obtain Federal, State or other funds or other support as may be available to the Town of Winchester for community development.

Inserted by Petition

Article 14. To see if the Town will vote to dispense with the costly and time consuming duplication of effort involved in reproducing the tax blotter (a public document available for viewing, during business hours, at the Selectmen's Office).

Inserted by the Board of Selectmen

Article 15. To see if the Town will vote to elect a Welfare Officer for a period of three years rather than one year as is currently the practice in Winchester.

Inserted by the Board of Selectmen

Articles 16 through 21 deal with suggested expenditures from our Federal Revenue Sharing Account.

Article 16. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of twenty thousand dollars (\$20,000.00). Said amount to be used for repairs and office renovation to the Town Hall including, but not limited to: repair and rezoning of the main boiler; roof repair; insulation and other energy saving measures.

Inserted by the Board of Selectmen

Recommended

Article 17. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of eight thousand, five hundred dollars (\$8,500.00). Said amount to be used to purchase a new (1982 model) police cruiser; and authorize the Selectmen and Police Chief to dispose of the 1978 Ford cruiser.

Inserted by the Board of Selectmen

Recommended

Article 18. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of six hundred and twelve dollars (\$612.00). Said amount to be used to purchase two Motorola Pocket Pagers with carrying cases and chargers for Winchester Police Department.

Inserted by the Board of Selectmen

Recommended

Article 19. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of six hundred and fifty dollars (\$650.00). Said amount to be used to purchase fifty heavy-duty folding chairs and three heavy-duty folding tables for the Emergency Services Building Conference Room.

Inserted by the Board of Selectmen

Recommended

Article 20. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of five thousand dollars (\$5,000.00). Said amount to be used to purchase new raincoats, helmets, boots, and gloves for the Winchester Fire Department.

Inserted by the Board of Selectmen

Recommended

Article 21. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of twelve thousand dollars (\$12,000.00). Said amount to be used to pay for an audit and examination of all Town accounts, except the School District, as required by Federal Revenue Sharing regulations.

Inserted by the Board of Selectmen

Recommended

Article 22. To see if the Town will vote to raise and appropriate the sum of three thousand and sixty-three dollars (\$3,063.00), based on eighty cents (\$.80) per capita population (3,440) as the Town's share for the studies and operation of the Southwestern New Hampshire Region Planning Commission. These funds will be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the Commission. These funds may be used in conjunction with other State and Federal funds available for planning purposes.

Inserted by the Board of Selectmen

Without Recommendation

Article 23. To see if the Town will vote to raise and appropriate a sum not to exceed one thousand seven hundred and twenty dollars (\$1,720.00) to support the Mental Health Program of Monadnock Family and Mental Health Service. The amount represents an allocation of fifty cents (\$.50) per capita.

Inserted by the Board of Selectmen

Without Recommendation

Article 24. To see if the Town of Winchester will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to be used to maintain and operate the Town Beach at Forest Lake, including life guards.

Inserted by the Board of Selectmen

Recommended

Article 25. To see if the Town will vote to raise and appropriate the sum of two thousand, five hundred dollars (\$2,500.00) for the purpose of Winchester's 250th birthday celebration in 1983.

Inserted by the Board of Selectmen

Recommended

Article 26. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00). Said sum to be used to support Home Health Care and Community Services (formerly Winchester Visiting Nurses Association) in Winchester.

Inserted by the Board of Selectmen

Without Recommendation

Article 27. To see if the Town will vote to raise and appropriate the sum of sixty thousand (\$60,000.00), said amount to be used for the operation of the Water Department for the fiscal year ending June 30, 1983, as per budget submitted by the Water Department officials and said sum of money to be also an estimated receipt on the budget of the Town of Winchester, New Hampshire.

Inserted by the Board of Selectmen

Recommended

Article 28. To see if the Town will vote to raise and appropriate the sum of fifty-eight thousand (\$58,000.00), said amount to be used for the operation of the Sewer Department for the fiscal year ending June 30, 1983, as per budget submitted by the Sewer Department officials and said sum of money to be also an estimated receipt on the budget of the Town of Winchester, New Hampshire.

Inserted by the Board of Selectmen

\$48,000.00 recommended by the Budget Committee

Article 29. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) for the support of the Monadnock Region Association, or take any other action relating thereto.

Inserted by the Board of Selectmen

Recommended

Article 30. To see if the Town will vote to raise and appropriate the sum of two hundred dollars (\$200.00) for the support of the Grand Monadnock Arts Council or take any other action relating thereto.

Inserted by the Board of Selectmen

Not Recommended

Article 31. To see if the Town of Winchester will vote to authorize the Board of Selectmen and Town Treasurer to carry over as a liability, the sum of twelve thousand, five hundred dollars (\$12,500.00), said amount being the amount received from James W. Sewall Company, in the account of "Revaluation, 1977 account", until such time as the Town again votes to conduct a revaluation of all property in the Town. At such time as a vote is taken to revalue the Town's property, this money would be used to assist in paying for such project.

Inserted by the Board of Selectmen

Not Recommended

Article 32 and 33 will appear on the Official Ballot and will be decided concurrently with the election of Town Officers.

Article 32. To see if the voters are in favor of having the office of Town Clerk combined with the office of Tax Collector, thereby creating a new office of Town Clerk - Tax Collector to be held by one individual for a three-year term starting with election at the annual meeting in 1983. (RSA 41-45-a).

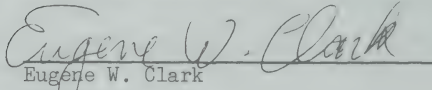

Article 33. To see whether or not the town will vote to revoke the adoption of the provisions of New Hampshire Revised Statutes Annotated, Chapter 37, relating to the town manager plan of government, by having the Town Clerk cause to be printed on the official ballot of said Town Meeting, the question: "Do you favor the continuation of the town manager plan as now in force in this town?".

Article 34. To transact any business that may legally come before said meeting. Given under our hands this ninth day of February 1982.

A true copy of Warrant-Attest:

Joseph S. Dominick, Sr., Chairman

Robert E. Sweat

Eugene W. Clark

Board of Selectmen
Town of Winchester, New Hampshire

We, the undersigned Selectmen of the Town of Winchester, hereby certify on the 22nd day of February 19 82 an attested copy of the foregoing warrant was posted at the place of the meeting within specified and at the Post Office in Winchester, New Hampshire and the Post Office in Ashuelot, being public places in said Town.

Joseph S. Dominick, Sr., Chairman

Robert E. Sweat

Eugene W. Clark

Board of Selectmen
Town of Winchester

Then personally appeared Joseph S. Dominick, Sr., Robert E. Sweat and Eugene W. Clark, Selectmen of Winchester, and made oath that the foregoing affidavit by them signed, is true.

Before me,

Irene A. Ethridge
Notary Public

REPORT of the TAX COLLECTOR

For the interim, part-year period twelve months January 1, 1981 -- December 31, 1981.

Because this fiscal year does not end until June 30, 1982; this report for the first twelve months is considerably shortened. Anyone wishing the information that is left out is cordially urged to consult at the Tax Collectors' office.

The following pages do include these reports:

Listing of office hours.
Grand Summary of 12 tax warrants.
Summaries of Warrants for each separate levy:
 1981 Property, Resident, and Yield Taxes.
 1980 Property, Resident, and Yield Taxes.
 1979 Resident and Yield Taxes
 1976 Yield Taxes
 1980, 1979, and 1978 Summaries of Tax Sales Accounts

List of Unredeemed Taxes from Tax Sale, Levy of 1979.

Property deeded to Town during 1981, for 1978 taxes.

Lists of Uncollected Taxes:
 Timber Yield Taxes, Levies of 1981, 1980, 1979, and 1976
 Resident Taxes, Levies of 1980 and 1979.

Sewer Department Accounts:
 Summary of all warrants issued during 1981, 12 months.
 List of all delinquent sewer accounts as of December 31, '81

WINCHESTER POLICE DEPARTMENT
ANNUAL REPORT - 1981

The 1981-1982 18 month period saw several changes in the Police Department and in our law enforcement effort. We have changed from a traffic safety-oriented department to one capable of initiating and completing major investigations. Emphasis has been placed on the protection of life and property. Through increased training, we have made this Department better able to handle incidents in a timely and professional manner. We have established a good working relationship with other agencies in the area including but not limited to the Sheriff's Department and the New Hampshire State Police.

Throughout the past year, we have had many successes, including steps to curb the juvenile problem in the center of Town. Success is measured by reduced reports of criminal mischief and a lack of confrontations between Police and juveniles. A major success was the reduction of burglaries. Losses to property owners was reduced by almost \$70,000.00. This is attributed to increased investigation using all available resources. Minor thefts have also been reduced considerably from last year.

In spite of our lower level of activity, we have experienced the worst type of violent crimes over this 18 month period. A young woman was taken from her home in Ashuelot and murdered in Hinsdale, an elderly man was beaten while protecting his property, and a man was taken from a bar to a back road where he was beaten and robbed. These cases show us that even in a small town, violence can be present and must be dealt with.

Another crime requiring extensive investigation and resulting in great financial losses was Arson. We suffered such a fire in our Elementary School. Additionally, Arson was responsible for several thousand dollars worth of damage done to private property in Winchester. Arson is among the toughest cases to solve.

In reviewing the criminal activity in Winchester since I became your Chief, I clearly remember the victims of these acts as well as the frustration of members of this Department because the same people are arrested time and time again.

In the future, I predict continued long hours and hard work for the entire Department. I plan to continue requesting assistance from the Sheriff's Department and the New Hampshire State Police to keep costs as low as possible, while providing efficient law enforcement to the Community.

I thank the citizens of Winchester, the Town Manager and the Board of Selectmen for their total support to this Department during this period. With this continued support, I feel confident that this next year will be a turning point for Winchester which will become a better place to live for all of us.

Respectfully submitted,

James E. Harrison
Chief of Police

Winchester Emergency Medical Services Ambulance

Report

In 1981, the Winchester E.M.S. Ambulance responded to 263 calls for medical assistance in Winchester and Richmond. One Hundred Ninety One patients were transported by ambulance from home or work locations and 53 were transported from accident scenes to hospitals in Keene, Greenfield, Athol and Brattleboro.

The Ambulance Service stood by at 11 General Alarm Fires and responded to 4 fatal accidents in Winchester and Ashuelot. The Service also participated in a mock disaster drill at the Keene Airport.

Currently, there are 17 members of which 11 are Registered Emergency Medical Technicians (EMT's). Nine EMT's are enrolled in Advanced Life Support classes at area hospitals. These classes will allow the Service to meet all State Requirements and better serve you.

The Service is all volunteer and is on call 24 hours a day, seven days a week. Members receive no compensation except gratitude and self satisfaction. The Squad is very dedicated.

On October 18, 1981 we officially placed the new modular ambulance into service. It is of Advanced Design and meets all State and Federal Requirements. We dedicated the new ambulance to the memory of John D. Corliss, Sr. in appreciation for his support and devotion to our ambulance service and to the citizens of Winchester.

The Service thanks the Winchester Police Department for their help on ambulance calls. A special thanks to Robert Murray and Harvey Grant, of Rescue Training Associates for countless hours of work to upgrade and train our squad in the different phases of Rescue Work, Emergency Care and Equipment maintenance.

Ernest E. Kirouac, Captain, Reg. EMT

REPORT OF TOWN TRUST FUNDS

Cemetery Funds:

Principal, January 1, 1981,
325 individual cemetery funds \$ 160,135.08

Three (3) new funds -
Joseph & Rosamond Labielski 200.00
John & Nellie Labielski 200.00
Raymond Knapp 200.00
Loss on sale of securities (1,279.53)

Principal, December 31, 1981,
328 individual cemetery funds \$ 159,455.55

Common Trust Fund:- Principal, Appraisal:

As of December 31, 1981, the cost of the Common Trust Fund is \$ 339,180.22, the market value is \$ 351,901.61, representing an unrealized gain of \$ 12,721.39.

The pages of the Town Trust Fund reports that usually follow this statement are not available at this time. They are taken from the State of New Hampshire report which is not due until July. A complete report covering the period from January 1, 1981 until June 30, 1982 will be included in next year's Annual Report.

This is to certify that the information in the above report is complete and correct to the best of our knowledge and belief.

| Records | <u>181</u> |
| Total | 23,745 |

At the beginning of the year the three new bookcases arrived for the children's room. These had been ordered and under construction the previous year from George Nelson. These are a bookcase and desk combination that serve as study tables and shelve encyclopedias for the children. I will also say that they are so comfortable to sit at that the staff makes use of them, too. D. Webb Hays built a new bookcase for the little children's corner. This has made space for us to display and shelve our many new books for this age level.

Our annual summer reading program got into full swing the last week of school. Three different programs were offered for the various age levels. 92 children were active and those who read 12 or more books received certificates. These were presented at school assembly at which many parents were present.

Our summer lawn sale was held in July as usual. A chinese auction, food and books brought in extra dollars for our various projects.

Our summer concerts on the Henry Pratt organ were both well attended.

Acid-free boxes were purchased to store picture and paper materials in our Historical Department. This slows down the deterioration process and keeps items free from dust and exposure to air and sunlight.

I would like to express my thanks and appreciation to all who have donated books, magazines and articles to our Historical Rooms.

Edith W. Atkins, Librarian

THAYER LIBRARY REPORT

1981

In September Bill and Blanche Truesdell moved into the Library apartment. Blanche chose to keep the library hours the same, using the Saturday morning time for a story / activity hour. This has proven to be a success.

In October we held our second lawn sale. Despite a rainy day the sale was held inside and was well attended.

We have borrowed over two hundred books from Conant Library throughout the year to supplement our adult reading program. This has been especially helpful now that we no longer have the loan of State Library books due to budget restrictions.

LIBRARY HOURS

Tuesday 1:00 - 5:00 P.M.

Saturday 9:00 - 12:00 A.M.

TOWN BEACH

Members of the Winchester Town Beach Committee are:

Kenneth Holm, Chairman
Stella Holm
Lillian Hodgman
George Jutras
Mary Pratt

Marion Whippie
Charles Rosoff
Henry Parkhurst
John Will
Arnold Conway

The Winchester Town Beach offers the townspeople a nice clean beach, manned by qualified lifeguards, seven days a week. The beach opens on Memorial Day weekend and is open on every weekend until school closes in June. It is open every day from June until September.

There are picnic tables and grills in the pines, and there is plenty of parking. A snack bar, dressing rooms, and bath rooms are available.

The Beach Committee would like to thank Henry Parkhurst for his excellent work as lifeguard, and James and Ginger Smith for running the snack bar.

Kenneth Holm
Chairman
Winchester Town Beach Committee

Winchester Community Park
Report for 1981

We are happy to report that many compliments were received on the appearance of the park this year. Various varieties of marigolds were purchased and Mr. Stanley Dahlman donated many as usual. The center tub was filled with yellow marigolds and white petunias. These were contributed by the Winchester Women's Club. Pete Nadeau did a fabulous job in keeping the park mowed and picked up.

If any organization would be interested in contributing plants or money for the central tub for this next season, please contact the Park Committee.

The Park Committee would like to express their thanks and appreciation to Mr. Stanley Dahlman for his untiring efforts to grow plants and for the many hours he spent in the overall upkeep of the park. We will certainly miss him. Mrs. Genevieve Girouard has been appointed to replace Mr. Dahlman on our committee.

Shirley E. Swan, Treasurer

ELLEN LAMBERT MURPHY MEMORIAL COMMUNITY CENTER

REPORT OF THE DIRECTOR

1981

The year 1981 in regards to the commitment of the E.L.M. Community Center to the people of Winchester might be termed a quiet success. Steady progress was made throughout the year despite the loss of many Trustee members, general public apathy and the ever increasing ravage of inflation upon our budget. We thank those of the community who supported our efforts.

We are continually besieged by the question, "What is the Community Center doing?" This might be best answered with another question. "Who is doing at the Community Center?" A very large part of our expenditures for 1981 included just providing facility and maintenance services for not only our programs, but others also. In 1981 the following groups used our buildings on a frequent basis.

The Girl Scout Cadets
The Women's Club
Ashuelot Valley Blazers Snowmobile Club
The Investment Club
Tannery Union
T.H.S. Theater Class
T.H.S. Physical Education Classes
W.E.S. Special Education Class
Winchester Sportsmen Inc.
Senior Citizens
Adult Ceramics
Children's Ceramics Classes
The Historical Society
Annual N.R.A. Safe Hunter Program

Our outdoor sports facilities also received much attention in 1981. Organized baseball did very well here. Included were six Pee Wee league teams with over 90 participants and a Little League organization with a 16 member roster. In the spring the Center spend over \$1,500.00 to provide equipment, insurance, and umpires for the program. All coaches were on a volunteer basis.

The basketball court received \$1,060.00 in the form of new backboard equipment and the tennis court gained new netting and court repairs at a cost of \$779.50.

In the winter, spring and fall of 1981 the Center sponsored a roller skating program held at the Winchester Gymnasium. At the high point during the winter and spring sessions as many as several hundred people would attend over the course of a few hours.

The annual Day Camp program was held for six weeks during the summer. Cathy Gardner and Ted Ryll provided supervision with the assistance of Casey Cole, Marcia Dean and Terri McClenathan. Included in the physical activities were: bowling, tennis, square dancing, volleyball, lawn games, table tennis and billiards. Two mornings a week Jean Stevens instructed the arts and crafts program. Movies were also shown throughout the summer.

The most vital part of the summer program was the Red Cross swimming instruction held at the Town Beach every afternoon. Mary Lou Brown was again the instructor. Many children took advantage of the service and spent the summer learning to swim safely.

The Senior Citizens weren't as active at the Center as in the past, but many did attend the monthly meetings. Starting in the spring, a group of them began attending bowling set aside for Thursday mornings. We reduced our rates for them and made efforts for them to take advantage of our offer.

Perhaps one of the more popular programs held at the Center was the re-introduction of ceramics classes. An adult class held on Wednesday evenings drew about 16 members. Afternoon classes were held three days a week for school age children. Regular attendance was in the area of seventy members. Joyce Beauregard and Cathy Gardner were responsible for forming and supervising the children's classes and Jackie Harrison formed the adult class.

In September the bowling activities began again after the summer break. We had three adult evening leagues, two adult morning groups, Tuesday afternoon children's bowling and Friday night open bowling.

Old Home Day was observed in August with craft, food and game booths on the lawn at the Center. A supper sponsored and manned by the Trustees and other volunteers later that day could be termed very successful.

In December a Christmas Bazaar took place at the Auditorium. It was an exceptional success. There were tables representing 15 local organizations selling artwork, crafts, food and clothing. Later that month the Trustees held a pie sale at the Country Mall to raise funds.

The rental apartment was vacant for eleven months during 1981. During this time a large amount of money was invested in renovation work including painting, wallpaper, several new ceilings, partial insulation and new walls in the hall stairway. Starting on December 1st the downstairs was rented to the Jr. High School Alternative Program under the supervision of Mr. Robert Findlay.

As in the past the Winchester District Nursing Association rented one half of the second story floor in the house as an office.

In September the Center entered into a new type of community involvement by voting to allow the Winchester Star newspaper to rent low cost office space here. The results have been favorable for both parties with the introduction of a wider spectrum of our townspeople using the facilities.

During the fall an effort was made to conserve energy use through monitoring our fuel usage and keeping the heat turned back during times when the buildings are not being used. Our savings have been tremendous. Further applications of conservation were being considered at the end of the year.

Upon ending the year we are also glad to report that there was very little vandalism directed at the grounds or buildings during the year.

Respectfully Submitted,
Edmund W. Ryll
Board of Trustees

WINCHESTER DISTRICT NURSING ASSOCIATION
Winchester Nurse's Annual Report - 1981

Visits Made - 1797

| Type of Visit | Reason for Visit | Fee Status |
|--------------------------|---------------------------|---------------------------|
| Direct Care - 1110 | M.D. Referral - 729 | No Fee Charged - 865 |
| Health Supervision - 664 | Home Health Service - 463 | Payment by Contract - 861 |
| Newborn - 22 | Agency Referral - 127 | Private Payment - 63 |
| Well Child Clinic - 1 | Family Referral - 94 | No Fee Collected - 8 |
| | Patient Referral - 219 | |
| | Hospital Referral - 143 | |
| | Other - 22 | |

Four patients received Physical Therapy throughout the year with a total of 15 visits.
Three patients received service from the Home Health Aide with a total of 9 visits.

Three patients were seen in Richmond with a total of 60 visits.
Seven Blood Pressure Screenings were held with a total of 202 B/P's taken, 11 showed elevated B/P and were referred to their physicians.
There were 12 W.I.C. Clinics (Women, Infants, and Children) held in Winchester.

Your nurse attended In-service meetings covering the following subjects - Poison Control Center, County Hospice Group, Spofford Hall Drug and Rehabilitation Center, Multiple Sclerosis, Adult Protective Services, Upper Valley Hostel, Alcoholism and Living with Cancer.

The WDNA is financed by funds from the Town, Medicare, Medicaid, Blue Cross/Blue Shield, V.A. and Individual Fees. A sliding scale is used for those not covered by insurance. Nursing services are available to all, regardless of their ability to pay.

We have made the decision to join the new agency, HOME HEALTH CARE AND COMMUNITY SERVICES, INC., 93 Roxbury Street, Keene, New Hampshire. Although a lot of the paper work will be done in the centralized office, our nurse will continue to work out of the same office and be on duty from 8/00 to 4/30 as usual. If you should need assistance, it is best to call the office early in the day. The nurse is here to visit the ill, someone who recently returned from the hospital or someone who might benefit from a skilled nursing visit. Please call the agency at 239-4352.

Throughout the year your nurse attended many meetings and met with various committees within the agency to help with their functioning.

Visits made to people in the community continue to increase and I am looking forward to serving you in the coming year.

Colette T. Schwartz
Colette T. Schwartz, R.N.

THE WINCHESTER OFFICE
OF
MONADNOCK FAMILY AND MENTAL HEALTH SERVICES

The Winchester District Office of Monadnock Family and Mental Health Services is located at Kulick's Mall in Winchester. It provides counseling services to the residents of Richmond, Hinsdale and Winchester. The office is staffed by four professionally trained counselors and a part-time psychiatrist.

Counseling services are provided to adults, adolescents, children, and for family and marital problems. In addition, the staff conduct education courses on parenting skills, work with teachers and students at area schools, and provide psychiatric advice and assistance to other community services.

Last year three hundred and eight (308) residents of Winchester utilized our services. We have a Citizens Advisory Board to assist us in planning for services. Your representatives are Steve Johnson, Ceil O'Connor and Judy Knox.

REPORT FROM THE SOUTHWEST REGION PLANNING COMMISSIONERS

Winchester, as a member of the Southwest Region Planning Commission, is one of a growing number of communities which have recognized and support the benefits of regionalism in their areas. As evidence of this growth in recent years, in 1974, 142 of the 234 local governments in the state were members of regional planning commissions, while today 201 can be counted as member towns.

As membership in regional planning commissions has grown, so have the areas of involvement and responsibility. Regional planning commissions provide a diversity of services to local governments which is not, has not, and can not be provided by any other agency, or array of agencies, federal, state or local, at comparable cost. These services are basically "one on one" at the local/grassroots level and have had the advantage of fostering trust and credibility within the arena of local home rule. Historically, the regional planning commission has responded to the needs, desires, and problems of local governments both on an individual and regional basis.

The Southwest Region Planning Commission's relationship with its member communities is enhanced by Commissioners who are a representative cross section of lay personnel (City Council Members, Selectmen, State Representatives; together with members of local boards and commissions and citizens at large, appointed by and accountable to their Boards of Selectmen or the Keene City Council).

The Southwest Region Planning Commission is an "in place" agency, familiar with its area, with a proven and demonstrated capability for assessment and implementation of local and regional policies, programs and plans as they affect local governments.

Some of the value Winchester specifically gains through its membership in the Regional Planning Commission is as follows:

- o Continued monitoring of the town's development in light of the projections and recommendations of its recently completed Comprehensive Plan.
- o Technical assistance in planning, zoning and development matters, including review and recommendations for change of zoning and subdivision regulations, and review of conformity of subdivisions proposals with local land use controls.
- o Access to seminars and workshops regularly conducted by the Regional Planning Commission to help towns keep abreast of new and changing conditions and court decisions concerning planning and development matters.

- o Access to review, evaluation and interpretations of new legislation at both the federal and state levels. Assessment of its impact on member towns, and recommendations concerning appropriate actions to be taken.
- o Involvement with the Regional Planning Commission in responding to the State's new solid waste legislations recommending initiatives to be taken by communities, in a collective or regional manner, to deal with solid waste management. This legislation has significant impact and implication on how local towns must deal with solid waste management and disposal within a specific time period.
- o Assistance in the development of applications to obtain federal funds to assist the town in its economic development program.
- o Opportunity to take advantage of the Regional Planning Commission's circuit riding administrative assistant program, computer capability, and newly organized collective purchasing program which will join several towns together for bulk purchasing in order for each to reap substantial gains over independent purchasing.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the town of Winchester qualified to vote in district affairs:

You are hereby notified to meet at the Winchester Gymnasium in said district on the sixth day of March, 1982 at 9:30 in the morning to bring in your votes for the election of the following officials.

- I. A moderator for the ensuing year.
A clerk for the ensuing year
A member of the school board for the ensuing one year.
Two members of the school board for the ensuing three years.
A treasurer for the ensuing year.
Two auditors for the ensuing year.

Polls open at 9:30 A.M. on March 6, 1982 and close not earlier than 12:30 P.M. on March 6, 1982.

You are further notified to meet at 1:00 P.M. on March 6, 1982, at the Winchester Gymnasium to act upon the following subjects.

II. To receive the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto;

III. To see if the district will vote to determine if they are in favor of having 3-year terms for the school district clerk, moderator and treasurer and, if approved, to take effect at the next annual meeting in accordance with RSA 671:6-a as amended.

IV. To see if the district will vote to authorize the school board to provide an easement of school district land to the Town of Winchester to permit the Winchester Sewer Commission to maintain a sewer line across school district land to an ejector station serving Bi-Lo Acres or take any action thereon.

V. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.

VI. To see if the district will vote to authorize the school board to apply for, to accept, and to expend on behalf of the district, without further action by the school district meeting, money from any source which becomes available during the fiscal year in accordance with RSA 198: 20-b.

VII. To transact any other business which may legally come before this meeting.

Given under our hands at said Winchester this 3rd day of February, 1982.

School Board

The annual meeting of the Winchester School District was held at the Thayer High School Gymnasium on March 7, 1981. The meeting was opened at 10 A.M. by the moderator Elmer Johnson.

Polls were opened for the election of the following officers: Moderator, clerk, treasurer, two auditors and one school board member for one year and two school members for three years.

It was moved and seconded the the polls remain open until 2 P.M.

Meeting on following articles opened at 1:10 P.M.

Art. 2 To receive the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto. Stephen Johnson moved the reports be accepted as printed, seconded by Eugene Clark. Passed.

Art. 3 Mrs. Know moved that the district raise and appropriate a sum not to exceed Seven Thousand Three Hundred Dollars (\$7300) for the purpose of hiring an architect to provide the necessary technical assistance for preparation and submission of all documents required by the Governor's Council on Energy before matching State funds may be requested and an engineer to prepare cost estimates for making Thayer High School accessible to the handicapped and to authorize the school board to take appropriate action to carry out the intent of this article. Seconded and passed.

Art. 4 Mrs. Poole Moved that the district raise and appropriate a sum not to exceed twenty two thousand five hundred ninety nine dollars (\$22,599) for the purpose of carrying out the provisions of Article IV. Miss Hyden wanted to know how soon there would be any return on money spent? The answer was two year. Also questioned was the length of time of windows. Estimated length of time was 7 years. It was moved and seconded to vote on parts A & B of the article and vote separately on Part C. The vote to raise \$6300 was passed. Vernon Jones then moved the district raise \$16,299 for the new windows as they were needed to save energy. Motion amended to delete "Thermopane" as that was a trade name and the windows would not be thermopane as such. Passed. The motion then read "to raise \$16,299 to replace the entire window assembly with energy efficient windows in Thayer High School. Passed.

Art. 5 It was moved and seconded to raise the sum of One Thousand One Hundred Twenty Five Dollars (\$1,125) to carry out this article. Passed.

Art. 6 Mrs. Cynthia Nelson moved the district raise and appropriate \$1,474,216.00 for the support of Schools, for the payment of salaries for school district officials and agents and for the payment of statutory obligations of the district. It was moved and seconded that the article be amended to include the sum of \$13,500.00 to hire a head custodian. Leonard Lawrence said there was no person available for that salary. Amendment not passed. Original motion passed.

Art. 7 The motion was made and seconded to give the school board the authority asked for in this article. Passed.

Art. 8 To transact any other business which may legally come before the meeting. No further business.

Motion made and seconded that the meeting be adjourned.

The following officers were elected:

| | |
|------------------------|----------------------|
| Moderator - 1 year | Elmer Johnson |
| Clerk - 1 year | Ruth Lawrence |
| Treasurer - 1 year | Stella Godleski |
| School Board - 1 year | Cynthia Nelson |
| School Board - 3 years | Marian Polaski |
| " " - 3 years | Kenneth Gardner |
| Auditor - 1 year | Donald Stoodley, Jr. |
| " - 1 year | Joyce Parrish |

The clerk & school board members were sworn in by Elmer Johnson, Moderator.

Number of votes cast 111 58 Women, 53 men.

Notary Public

The Special Meeting of the Winchester School District was held on June 4, 1981 at the Thayer High Gymnasium at 7:40 P.M.

Art. 1 To see if the district will vote to raise and appropriate the sum of \$77,274.00 to fund all cost items relating to regular and special teachers' salaries and benefits for the 1981-1982 school fiscal year attributable to the collective bargaining agreement entered into by the School Board and the Winchester Teachers Association, said sum representing additional costs over present budgeted amounts.

Mrs. Polaski moved that the district appropriate the sum of fifty-five thousand dollars (\$55,000.00) to carry out the provisions of Article I, said sum representing additional costs over present budgeted amounts. Seconded. Mr. Donald Hubbard moved that the amount be amended to fifty thousand dollars (\$50,000.00). This was the amount recommended by the budget committee. Seconded. Mr. Dennis Littky asked for a breakdown of the amount. Mrs. Polaski said \$51,091 was for teachers salaries and the additional \$3,909.00 was to help pay for an additional special education teacher and aid. A ballot vote was called for on the amendment.

There were 99 ballots cast, 29 yes and 70 no. Amendment lost. Mr. Gutoski asked Mr. Arnold Conway, Town Treasurer what the tax increase for the \$55,000.00 would be. Mr. Conway said it would probably amount to 12¢ per thousand. It would mean approximately a 20% increase overall or a tax rate of about \$3.81 per thousand. A Ballot vote was called for on the original motion. There were 98 ballots cast, 55 yes and 43 no. Motion passed.

Art. 2 To transact any other business which may legally come before this meeting. None.

Motion made and seconded that the meeting be adjourned. Passed. Adjourned at 8:35 P.M.

Certification of Audit

This is to certify that we have examined and audited the Financial Accounts and Records of the Winchester School District, the School Lunch Account and the Thayer High School Activity Fund for the fiscal year ended June 30, 1981.

We have found all the above to be accurate to the best of our knowledge.

We wish to express our appreciation for the cooperation and assistance to the personnel of the Winchester School District during the course of the audit.

Date December 14, 1981

Signature of Auditors

School Health Services Report

This past year has been a busy one in Winchester Elementary and Thayer High School. We feel there are clear evident relationships between good health and effective learning in the school setting. Partial Health care for the school population who have no personal physician or who had inadequate health care is provided by the school nurse. In order to promote good health in our population, our school programs include health education, health services and healthful living. Although the school nurse is not considered a teacher, teaching is a daily component of nursing. I am responsible for teaching health two hours every day in the Junior High in addition to providing nursing services for the students and staff.

Our Health education deals with all life experiences and gives information pertaining to health in the home, school and community. In the Elementary School, health principles are integrated into the educational process to encourage healthful living. In the Junior High, the Health Course, which the school nurse presents, is centered on behavior changing and an action-centered program. Community involvement is needed to assure the development of a health curriculum to meet the needs of this town.

Health services provided by the nurse include vision, hearing, immunizations, growth and development screening for defects and disease. The school nurse is available for counseling the students with health concerns, referral and first aid. Medications are given with the permissions required by N. H. law. Over 4,000 problems were brought by students to the school nurse this past year. Some problems originated from home and should have been cared for when and where they happened. We try to help everyone who comes seeking assistance. Most problems are minor and resolve quickly. Other problems that need medical attention are reported to the parents for further evaluation and treatment.

Last December, the school physician, Dr. Thomas O'Connor, the N. H. Bureau of Communicable Disease, School Nurse and volunteers conducted an Immunization Clinic at Thayer High School. 164 immunizations were given.

In May, the school nurse assisted with the N. H. PreSchool Hearing and Vision Screening Program. Ninety children aged 3-6 were screened and 10 defects discovered.

Our School Dental Health Conference was held in September and 242 students were seen. Mrs. Jean Dyer was the Dental Hygienist. We offer the State of N. H. Daily Dry Brushing Program and weekly Fluoride rinse. We are fortunate to have a Dental Fund to pay for poor children to receive dental care in some circumstances. The Volunteers in Action have raised the money to pay for the dentist in this program.

The nurse participates in special education meetings and consults with the specialists in speech, occupational therapy, for the visual-handicapped, the psychologist, guidance counselors, principals and teachers. Students with special needs have health concerns that necessitates close collaboration between the educational team and the nurse.

We continually need volunteers to help with the health programs and health office especially when the nurse is teaching. If anyone is interested in volunteering, call the nurse at school.

Penny Galbreath RN BSN
School Nurse

Winchester Elementary School

There was a fire at our school in October. What a way to begin the year! It took us until after Christmas to clean up and get the First Grade back to its homeroom. We still don't know who started the fire.

About Christmas time our roof leaked more than ever before. The day of our Holiday Dinner and the day the children performed for parents, people had to wade their way through, under and around barrels, sopping-wet floors and water soaked ceiling tiles. We've been working to correct the leaking problem by using heat tapes. We are also exploring the cost of de-icing cables, downspouts and drains.

In January, our heating system gave us trouble. Mr. Maynard, the Plumbing and Heating person, said we probably have a leak in the oil line. Everyone's backhoe was down when we asked about digging around the line to find the leak. Luckily, we got a by-pass pump working and if it keeps on working there will be no need for digging until spring. Where's the leak?

We've had a turn-over in custodians. Currently, our day people are Jack Froelich and Chris Black who both live in town. Our night person is Dave Garland who lives in Hinsdale. There is no doubt that the needs of the building require 3 fulltime people rather than the 2½ we have. The turnover in personnel can be attributed to the impossibility of 2½ doing the work of 3 and the fact that our wages have not been competitive.

Our pupil enrollment has gone up to 416 rather than down as predicted. Consequently, for 1982-83, we should increase our staff by two teachers.

This year in 1981-82 we have:

- 16 Regular Classroom Teachers
- 3 Special Education Teachers
- 3 Special Education Aides
- 2½ Custodians
- 1½ Secretaries (The half is for Spec. Ed. purposes.)
- 2 Library-Reading Specialists

Next year in 1982-83 we should add 2 regular class teachers.

This year we provide services to a Special Education Collaborative Program. The program contains children with low incidence disabilities and supports a Teacher and 3 Aides. Children in the Collaborative Program graduate into our regular Kindergarten. Most live in the Monadnock Area outside of Winchester, two come from Winchester. Costs are shared by those who participate in this program.

We tried several changes in Kindergarten this year. The mid-day bus run was cut out and parents were made responsible for bringing and picking up their children at noontime. We also cut the Kindergarten staff from two to one teacher.

The bus cut seemed to be accepted with good will by parents. Although we feared the bus cut would be a problem for some, it wasn't. All the children we expected at school arrived on schedule; none stayed home because the bus cut was an inconvenience.

We conclude from this year's experience that we really need two Kindergarten Teachers, not just one. The group of incoming Kindergarten children always contains a number of children who are very active and need double the amount of coaching and attention required by others. We tended to those types of needs this year by hiring aides. In 82-83 we expect over sixty Kindergarten children and believe their best interests would be served by having at least 2 teachers.

The new houses being built by Berkshire Builders will bring us increases in enrollment. We are planning on 8-10 additional children for 1982 from that area.

Our curriculum at the upper grade level has expanded to include computers which are being used by sixth grade children. Due to Mr. Cardine's efforts, we have computers linked to math instruction.

We have also applied for two more grants which could bring us more computers for math as well as one for use in the library for language purposes under Mrs. Cobb's direction.

For the past few years we have been paying attention to making curriculum modifications for special education children -- children with emotional or learning disabilities. We tailor-make the instruction for children with special problems so that they can work at levels that allow them to progress steadily.

Our hope this year is to begin concentrating and analyzing the problems of children with high intellectual potential and talents. The use of computers is a curriculum move in that direction. Although most children are capable of using a computer with a little instruction, the fact of the computer's presence here seems to guarantee that some children will emerge as unusual thinkers in relation to the machine. In any case, children who use computers will be learning valuable work skills. We want to put the talents of more children to their best use at our school. For the next few years we will concentrate on it after a small beginning this year.

We have a School Store in mind as one project for drawing out the talents of children. We've gotten as far as buying a counter for the store but our efforts to get further have been interrupted by roof leaks and heating problems.

Mr. Vreeland's class has started making fantastic walking birds out of precut hunks of wood and heavy rope. The birds are the type of project that could be sold in the School Store.

Our school has benefited from considerable volunteer help this year. For example, Mr. Beaman gave us wood again to make another bicycle rack. The Highway Department sent up its plow to push away the tons of snow that collected around our front doors. High school students come over to work with young children for course credit. Keene State students are also working as teacher aides for course credit. Virginia Felch has continued to work for many, many mornings in the Upper Grade Library as Mrs. Cobb's aide. Kindergarten parents continue to give their time to help with that program. Mrs. Wyman's son, on leave from college, spent a number of days teaching physical education to our students. Classes went to visit the Treatment Plant downstreet and listened to a lecture by Mr. Holcomb. Cathy Gardner has arranged bowling sessions for classes at the Center. Edith Atkins has organized last summer's reading program at the library with Brenda Kelly and Mrs. Cobb's regular help. We are grateful to all who assist us in working for children.

Charlotte R. Levens
Principal
Winchester Elementary School

THAYER HIGH SCHOOL

Thayer High is becoming a better and better school. The goal is to develop an appropriate school for the students of Winchester. This means more of an emphasis on the basics, reading, writing, arithmetic and responsibility. We have already raised the math requirement in the school, (every 10th grader must now take a math course) and in reading we have added a remedial program for the Junior High, and we hope to add an English teacher in the future. This would allow us to put more of an emphasis in this area.

Responsibility is a basic that has become a priority. Students must begin to take responsibility for their studies, their behavior and their future. Students are now becoming involved in developing and carrying out the rules of the school. A course has been set up for Seniors, Life After Thayer, which helps each student prepare for the years after they have graduated. We are looking for a guidance counselor to concentrate on helping students with careers and college.

The entire school has been divided into Academic Advisory groups. Each student has a staff member who has individual conferences during the year to try to help lead and guide the student to succeeding in school. The advisor also becomes the home contact, the person the parents can call to find out how their child is doing. We have made great efforts to increase communication between the home and the school. The parents must support the school if they expect their children to respect learning and the school. For the first time the Junior/Senior High school had parent conferences. Ninety-two percent of the parents showed up to discuss grades with the teachers, a turnout that showed everyone that support was there in the community. In April, there will be another conference, not only to discuss grades, but to begin to involve parents in their students' selection of courses for the next year.

Once a month the Principal meets with 18 parents, one from each neighborhood, to listen to questions from each and to pass on information about the school, to be shared throughout the Community. Also, the Principal appeared at neighborhood coffees in people's homes or at Community Clubs to answer questions and explain the school's programs. A newsletter, SHARE, (paid for by Agway) goes out every 2 weeks, attempting to keep the Community posted on the goings on in the school. The Community has also shown its support by volunteers teaching during the day, by the donations to the school and the school and the Community joining together.

In order for the school to improve, more also has to be asked of the students. Not only have we added math requirements and Remedial Reading, we have added courses in Science and Social Studies, a new Agriculture Program, construction of a Geodesic Dome Construction class. Apprenticeships, a program where 65 students are now learning to take on more responsibility through working one hour a day in a workplace in Town, i.e: Beaman's Lumber, Jennings Insurance Agency, Gary's Power Equipment, Ronnies' Sales and Service, Verna's, The Elementary School, The Cheshire National Bank, The Winchester Pre-School and more.

We have expanded the 7th and 8th grade program to not only cover the four basics, but also to give the students a beginning in library work and exposure to French and Spanish.

In an attempt to better the school environment, we worked all summer painting and repairing the building and the students have shown their respect by not vandalizing the school. We have added fans in the gym to bring the heat down from the high ceiling and are in the process of putting in new windows on the north side of the building (both school warrant articles).

As a school we are trying to do whatever is necessary to make Thayer a better place to be. We cut out study halls and demanded that students take 5 classes. We separated the Junior High, so they could have more time by themselves and not be forced to grow up so fast. We wrote grants to help bring extra money into the school. We have developed programs so each student can have a chance to succeed.

Pride in our school is important. Parents and students must be proud and be supportive of our school. Thayer High is being talked about around the State and the Country, for the new attempts at getting students ready for jobs, colleges and life. Let's join together and make Thayer High the best in the State.

Thayer High School

The Winchester School District

For a score of years this writer has used this space to report on the changes and challenges that have taken place in our schools. Reflection brings forth the realization that seldom in our history have we seen two decades that have produced such opportunities or such frustrations for those who lead our schools.

The 1960's saw social upheaval. Our schools were faced with steadily increasing enrollments, teacher shortages, school consolidation studies and referendums, bond issues and building programs. Solving the budget and program problems of a small school district consumed the time and energies of school board members and administrators.

With the advent of the 70's we were challenged to provide equal educational opportunities for all children. Among them was the law which required our schools to provide educational opportunities for all handicapped students. Instead of praise for attempting to deal with years of societal neglect, we were criticized for declining average test scores. The tests themselves have since been challenged.

Confidence in institutions, including schools, suffered following Watergate. "Johnny can't read" became a popular expression at a time when more children were reading better than ever before. We were asked to return to the basics we had never left.

When other institutions can't handle a problem, society turns to its schools for a solution. If the schools have difficulty solving the problem, they end up taking the blame. In addition we were being asked to provide more with less. Inflation has cut deeply into school budgets while at the same time schools were called upon to do more.

Now we are in the decade of the 80's and the challenges continue. The challenges can be met but the educational structure cannot do the job alone. Instead of spending time and energy trying to figure out who is responsible for the problems of the world, we need to focus on results and by working together to create the kind of future we all want.

The sixties and seventies opened the door for school finance reform. Now we must face the unescapable fact that the responsibility for resolving the financial problems of small, property-poor school districts rests upon the state. It is important that we give our state legislators alternatives to study as they consider laws which recognize the special needs of school systems such as ours.

We have a sound educational system with more than a fair share of effective and concerned teachers and supporting staff doing what they can to equip your children with the skills and attitudes they will need to survive in these times. Your schools stand ready and able to provide the kind of environment that will help the children grow. But unless they are stimulated and, perhaps, prodded into the pursuit of excellence, the atmosphere will not help, no matter how dedicated and capable may be our teachers and other school personnel.

The responsibility for learning rests with the student. It is a heavy burden. At a young age students can use help in taking on this responsibility and the one irreplaceable element needed is the determined and continuing efforts of caring parents.

How does one help children to profit from the educational opportunity available in the schools? By example, show your children your own belief in education. Communicate with your child's teachers to find out how you can support the school's work. Let them see you learning. If you want your children to read, let them see you reading. Or better still, read together. We all learn best by example especially the example of one we love and respect.

Whether we like it or not the decade of the 80's promises to be a decade of rapid changes. These changes can be threatening or they can become opportunities for the school and the community to join forces in determining the results both want and together develop the strategies to bring about those results.

We can meet the challenges, but we cannot do it alone.

Roger L. Sundstrom
Assistant Superintendent
School Administrative Unit 38

TOWN OF WINCHESTER

1981 REAL ESTATE ASSESSMENTS

This section contains the names of the owners of real estate in the Town of Winchester as of April 1, 1981.

The assessed valuations for this year were based, by the Selectmen, on appraisals made by appraisers employed by the Department of Revenue Administration. The 1981 assessment figure represents the appraised full value (sound value) of the property, the purpose being to equalize all individual assessments on this basis. Property record cards containing a description of each piece of property including the basis of the appraisal are on file at the office of the Selectmen. These cards may be examined by any interested party.

If any property owner believes the assessment on his property this year is in excess of its full market value, he may appeal to the Selectmen, in writing, for abatement within four months of the notice of his tax bill. Forms for this purpose may be obtained from the Board of Selectmen. Upon refusal of the Selectmen to make such abatement, he may, within six months of the receipt of his tax bill, upon payment of a \$15.00 application fee, appeal to the Board of Taxation, State of New Hampshire, Concord, New Hampshire, or, in lieu of appealing to the Board of Taxation, he may appeal by petition to the Superior Court of Cheshire County. An election by an applicant to appeal to the State Board of Taxation shall be deemed a waiver of any right to petition the Superior Court. In the case where an appeal is made to the State Board of Taxation, a review appraiser will be assigned to investigate the appeal or members of the Board of Taxation will review the property themselves.

For purpose of economy and efficiency, the Board of Taxation will allow appeals made to it to accumulate until the six month period for filing has expired, so that all properties may be examined at the same time. Examination will be made as soon thereafter as other commitments will permit.

It is called to your attention that interest at 12% per annum will be charged on all property taxes not paid by the due date specified on the tax bill, and the filing of a request for review of assessment will not waive this penalty.

Joseph S. Dominick, Sr., Chairman
Robert E. Sweat
Eugene W. Clark
